

Summer SAT/ACT Introductory Course

Studies show that students who prep early for the SAT/ACT feel more confident and comfortable on test day. CMAK Tutoring is now offering introductory summer courses to rising Juniors eager to learn about test formats and build productive practice habits!

- effective practice strategies
- tests format and question types review for both exams
- full practice exams for ACT and SAT with score report
 - 16 learning hours
- taught by certified Math and English teachers
 - only 5 students per session
